

## VOXWARE APPOINTS UK MANAGING DIRECTOR

### Industry Veteran Tapped to Manage Growing Business

**Reading, England – May 20, 2009** – Voxware, Inc. (Nasdaq: VOXW), a leading supplier of software for voice-driven warehousing operations, announced that Gareth Giles Knopp has been appointed Managing Director of its UK subsidiary. Mr. Giles Knopp will direct Voxware's operation in the United Kingdom, as well as manage business development in targeted EMEA markets.

Mr. Giles Knopp is a veteran of the supply chain software industry; before joining Voxware he spent 7 years with Dallas Systems then EXE Technologies, working with many companies and implementing WMS best practices- throughout Europe and the Middle East. He then spent 3 years as General Manager of Software Professional Services for Swisslog (UK) Ltd where his responsibility focused on management of all projects and software development for Swisslog's implementations. He has been with Voxware since 2004 when he established the UK business, most recently as Director of Business Development in EMEA.

"Some of the UK's leading companies, including Waitrose, Argos and Somerfield depend on Voxware for their voice-directed warehousing operations," said Scott Yetter, Voxware CEO. "Gareth has been instrumental in expanding our customer relationships and increasing our business. He is ideally suited to take our UK business to the next level."

#### **About Voxware UK Ltd**

Voxware's UK offices are located in Theale, near Reading. The office is a full-service operation, providing sales, delivery, and support services to customers in the UK and across the EMEA region.

#### **About Voxware**
