FOR IMMEDIATE RELEASE

Food Logistics Names Voxware to 2021 Top Software & Technology Providers Award

This award honors software and technology providers that ensure a safe, efficient and reliable global cold food and beverage supply chain.

Hamilton, NJ —December 21, 2021 — *Food Logistics*, the only publication exclusively dedicated to covering the movement of product through the global cold food supply chain, named Voxware, a leading provider of cloud-based voice software and analytics solutions for the supply chain, to its 2021 Top Software & Technology Providers award. The award honors software and technology providers that ensure a safe, efficient and reliable global cold food and beverage supply chain. Today's recognition marks the ninth time that Voxware has been included in the award program.

"Software developments and emerging technologies are what make the world go 'round. They're what make supply chains move, even when the world stops. They're what keeps people, products and plants safe. They provide traceability, visibility, efficiency and credibility. And, the winners from this year's award prove that there are no limitations to what software and technology can do in the supply chain space," says Marina Mayer, Editor-in-Chief of *Food Logistics* and *Supply & Demand Chain Executive*.

Food and beverage customers worldwide rely on Voxware Voice Management Suite (VMS) to improve speed, accuracy and efficiency across all functions in the distribution center. Using Voxware VMS, warehouse operations realize immediate improvements in accuracy, double-digit productivity gains, reduced operating expenses and complete visibility across the entire distribution operation.

"We are proud that Food Logistics recognizes the role our technology plays in the global food and beverage supply chain and are thrilled to have made the list for the ninth time," said Keith Phillips, President and CEO of Voxware. "Our voice automation technology and supply chain analytics solutions deliver remarkable results and a variety of additional benefits so our customers can provide exceptional service and exceed their own customer expectations."

Recipients of this year's award will be profiled in *Food Logistics'* Nov/Dec 2021 print issue. Go to www.FoodLogistics.com to view the full list of Top Software & Technology Providers. Go to https://www.foodlogistics.com/awards to learn more about other *Food Logistics'* awards.

About *Food Logistics*
Food Logistics reaches more than 26,000 supply chain executives in the global food and beverage industries, including executives in the food sector (growers, producers, manufacturers, wholesalers and grocers) and the logistics section (transportation, warehousing, distribution, software and technology) who share a mutual interest in the operations and business aspects of the global cold food supply chain. *Food Logistics* and sister publication *Supply & Demand Chain Executive* are also home to L.I.N.K. and L.I.N.K. Educate podcast channels, L.I.N.K. Live, SCN Summit, SupplyChainLearningCenter.com and more. Go to www.FoodLogistics.com to learn more.
